Philips AmbientLED
Energy saving indoor flood light

13W
BR30
Soft White; Dimmable

046677414900

A simple way to beautify your home

Saves up to 80% in energy costs

Philips AmbientLED light bulbs are the smart alternative to standard incandescent bulbs. They deliver exceptionally long life, significant energy savings, beautiful light, rugged construction and contain no mercury.

Energy efficient
- Saves up to $143 in energy costs over the life of the bulb
- Replaces a 65W incandescent flood light

Long lifespan
- Lasts at least 22.8 years

Perfect Shape
- Fits easily into existing fixtures
- Ideal for recessed cans and track light fixtures

Sustainable choice
- Reduce greenhouse gases and shrink your carbon footprint
- Contains no mercury

* 22.8 years means rated average life based on engineering testing and probability analysis where the lamp is used on average 3 hours/day, 7 days a week.
* At $.11 per kWh this 13W, 500 Candela LED BR30 uses $35.75 of electricity over its 25,000 hour rated average life. This is a $143 savings when compared to the $178.75 required to run a 65W, 510 Candela incandescent BR30 over the same period. Actual savings will vary depending on cost per kWh.
